OUR MISSION

To help, assist and inspire and help Colorado youth with the means to become hopeful and productive citizens.

HOW WE DO IT

- We Create Connections through Community-Based Partnerships.
- We provide children, youth, families and schools with an array of special opportunities and support through our research-based programs, designed to build their resilience and skills to overcome adversity.
- We inspire children to make strong connections, develop their skills and honor their own unique path.

PROGRAMS

HERO-WITHIN is the flagship "award and opportunity" program" honors youth who are at the "ACTION and MAINTENANCE" stages of change.

BOUNCE-BACK is an "award and encouragement" program honors youth who are at the "PREPARATION and ACTION" stages of change.

HUMAN-ANIMAL CONNECTION

We have a long history of impacting the lives of youth through animals and nature programming.
